

ITEM: A-95-26 ELECTRICAL REPAIR & MAINTENANCE EQUIPMENT & LABOR RENTAL
DATED: JANUARY 2026
CONTRACT PERIOD: 4/1/26 - 3/31/27

DESCRIPTION

Montgomery County solicits responses from qualified Electrical Construction/Maintenance and Repair firms for electrical repairs, rehabilitation, and/or alterations on County facilities on an as-needed basis for the current construction season. The work generally shall consist of electrical repair, or other electrical work associated with maintenance at sites throughout Montgomery County as specified by the Commissioner of Public Works through written purchase orders issued to the Contractor by the County Purchasing Department.

The electrical crew shall be structured to meet the demands of each written job order. All work shall be paid on an hourly basis for the actual hours worked per classification. Price quotations shall include the following classifications: foreman/electrician with fully equipped field truck; apprentice with tools; and laborer with tools, each on an hourly basis.

QUALIFICATIONS OF FIRM

No response will be considered for award unless the firm submitting the response can meet the following conditions:

- The firm at the time of the response must have at least ten years' experience in electrical repairs or replacement of electrical building systems and related components. Each foreman shall have equivalent experience as required by N.Y.S.D.O.L.
- All material supplied to the County must be obtained from an approved NYSOGS source. The suppliers NYS OGS# must be listed on invoice when materials are supplied.
- The bidder shall possess a current and valid license to conduct business in the State of New York.

The Contractor is to supply all labor, small tools, transportation, and material lists to properly execute the work as described herein. The written purchase order will describe the location, type of repair material, depths, widths and yield required.

The County will provide the materials required to complete the project

The Contractor shall perform all work in a workmanlike manner with due regard to the safety and health of the employees and of the public, in full compliance with the provisions of all applicable laws. The Contractor shall be responsible for safety controls in full compliance with the provisions of O.S.H.A.

BASIS OF PAYMENT

The unit price bid shall include the cost of furnishing all labor, (including any supplements, holidays, or other "fringes"), small tools, and transportation, necessary to complete the work as specified. The hourly

rate for any crew shall be determined by applying the hourly rate per appropriate craft times the actual hours each person performs on the job within that craft. Holidays, travel times or other "time off" shall not receive direct payment.

LABOR

For each labor classification, the Contractor shall provide any required tools, including but not limited to chain falls, come-alongs, or jacks; scaffolding, staging, ladders, drills, hole saws, electrical meter/volt meter, Roto-hammers or other pneumatic equipment; all safety equipment.
